In response to Councillor Currie's enquiry that the Global photo radar people are now using two trucks to catch people going both ways on the road, administration will investigate and report back.

In response to Councillor Michaels' enquiry respecting the 4-way stop at MacLeod Avenue and Mountain Street, being a small sign which is blocked by trees and drivers can't see the right hand turning lane, Administration advised this has been reviewed on a number of occasions and each time it was determined the stop sign was adequate. **There was consensus that Council direct Administration to remove the tree located at MacLeod Avenue and Mountain Street, which is affecting visibility of the stop sign.**
