Keep Tails Wagging: Leash Up

Under the Town's Animal Control Bylaw, **dogs must be under control at all times**, on- or off-leash. For example:

- Dogs can be off-leash in the fenced, signed dog park at Mary Reimer Park.
- Dogs must be on-leash in the large grass area across the parking lot.

Following leash rules protects pets, people, and wildlife. Make sure you know where leashes are required.

Check trail and on/off-leash maps at www.hinton.ca/trails.
